T. Nelson, Sys Consultant
Box 1546
Poughkeepsie, N.Y. 12603

Gentlemen;

Thank you for your inquiry regarding the KARI-VAC Portable Vacuum Cleaner.

The KARI-VAC is the lightest weight, largest capacity, and most powerful portable on the market today.

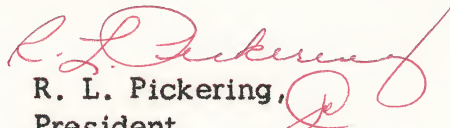

The KARI-VAC II can be used as either a wet pick up or as a dry pick up. It sells for \$155.00, plus attachments, has a one HP by-pass motor, self-sealing water shut off with float, and holds two gallons of liquid. It is presently used by luxury liners and various other places where a heavy duty, dual purpose vacuum is needed.

We also have a KARI-VAC #1265 (dry only) which is used in such places as: Passavant Hospital, Michael Reese Hospital (Chicago), Westinghouse Electric Company (Indiana), Bell Telephone Systems, Memorial Coliseum (Oregon), and Veterans Administration Hospital (Illinois), just to mention a few of the many satisfied users now saving time and money with the KARI-VAC. The KARI-VAC has been recommended by the American Institute of Laundering.

Enclosed you will find literature on the KARI-VAC Portable Vacuum Cleaner.

Very truly yours,

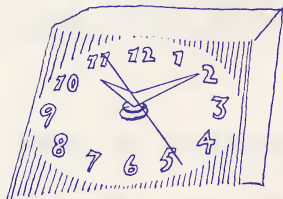

KARI-VAC, INC.

R. L. Pickering,
President

RLP/jg

NOW SAVE TIME AND MONEY

USE
IS
PROOF

Now, at last, you can smash "bottleneck" cleaning problems, save hundreds to thousands of man-hours each year, with the NEW, amazing KARI-VAC PORTABLE VACUUM CLEANER! Where you go, KARI-VAC goes—up ladders, around corners, over and under equipment, up and down stairs! You name it! KARI-VAC can do it! KARI-VAC is a professional, powerful and efficient cleaner. Weighs only an unbelievable 9 lbs., it has over 1/2 bu. capacity and is powered by a 1 HP, AC-DC, 60 cycle motor. Dust and dirt go directly into a two-way filter bag which can be emptied and re-used. KARI-VAC is curved to fit the back for solid comfort to the user. Chassis made of NON-CONDUCTIVE "ROYALITE" Plastic—special rubber mountings virtually eliminate vibration. A light weight, large capacity PORTABLE VACUUM CLEANER that can save you time and money! Mail the coupon RIGHT NOW for more information or demonstration!
